Summer 2019 Courses

***Please note: Not all APPLES service-learning courses fulfill the experiential education requirement. Courses fulfilling this requirement will be indicated with an EE designation with the description.

***This list is SUBJECT TO CHANGE. Please use this as a reference list and make sure to cross-reference with the ConnectCarolina listings.

All APPLES courses require a minimum of 30 hours of service. The registration process for APPLES courses is through ConnectCarolina, unless a course is noted as requiring an application or instructor permission. For questions about registration, students should contact an academic adviser.

Maymester

**ENEC 304 Restoration Ecology**

*Geoff Bell*

This course explores ecological theory and its application to the restoration of terrestrial, aquatic and marine ecosystems. Students in this course will complete 30 hours of service with a local restoration project in which they will collect ecological data for a final case study project. EE

**SPAN 300 Spanish Composition and Grammar Review with optional service component**

*Gosia Lee*

Advanced grammar and composition designed to improve grammatical analysis, accuracy, and develop writing skills, using process and task-oriented approaches. Students may select to enroll in ROML 194, which is the additional credit for APPLES Service-Learning. Students must confirm this with the instructor. EE (only with ROML 194)

Summer Session 1

**MUSC 269 (001) Music in the Community**

*Merida Negrete*

This course connects academic inquiry in community music with an experiential project in the making, organization, or documentation of music locally. Summer Session I, EE

Summer Session 1 & 2

**SOWO 492 Seminar in Service-Learning**

*Staff*

This is a one-credit hour course offered by Carolina Courses Online and is only open to students who have been selected for a summer APPLES internship. This course investigates pervasive social issues occurring locally, nationally and globally as well as the theoretical and personal exploration of values guiding provision of services to individuals and communities. As part of the course, students complete an intensive, paid internship experience in a local nonprofit agency. Applications are closed. Summer session I, EE
