ImpactNC Request for Grant Proposal 2022

Mission Statement:
ImpactNC 2022 is a UNC undergraduate course that seeks to connect with and financially support a non-profit based in Orange County and surrounding areas that sustainably address economic inequities.

Overview:
ImpactNC is a foundation board run in conjunction with the Philanthropy as a Tool for Social Change course at the University of North Carolina at Chapel Hill. The course is supported by the Carolina Center for Public Service and funded by the Learning by Giving Foundation and the Buckley Public Service Scholar program, with the purpose of supporting sustainable, long-term change within the North Carolina counties of Alamance, Chatham, Orange, Caswell, and/or Person. After reading and reflecting on the impact of effective and equitable philanthropy, the student-led cohort designs, publicizes, and awards a grant to a non-profit actively addressing economic inequity and inequality in North Carolina.

Focus Area:
ImpactNC seeks proposals from non-profit organizations that address economic inequities in their communities in order to promote equity and general well-being.
